AFFIDAVIT OF PROBABLE CAUSE

On April 2, 2021 at approximately 1359 hours affiant was dispatched to a hit and run accident in the area of Carlisle St and Gail St, Hanover PA 17331.

Affiant met with the reporting party, SR. SR stated she was traveling south in the 100 blk of Carlisle St when a white sedan hit her driver's side at the intersection of Gail St. SR stated the vehicle did not stop and continued west on Gail St. PG was a passenger in the vehicle and stated she had head pain, but refused EMS.

Affiant met with witness TT who advised the same story and stated she believed the vehicle was a Dodge Charger.

A front bumper and other pieces of the fleeing vehicle found on scene indicated the vehicle was a Chrysler 300.

On April 7, 2021 affiant located a wrecked Chrysler 300 at Apple Collision, 100 Eisenhower Dr Hanover PA 17331. Affiant compared the pieces found at the scene with the pieces missing from the wrecked vehicle and they were consistent, to include the paint color and stress cracks found in the pieces. One of these pieces included the front bumper which had grind marks on it consistent with being drug under the vehicle. Affiant ran the VIN of the vehicle which showed the registered owner was Kristin Sewell.

On April 19, 2021 affiant reviewed video footage of the accident that was captured by Royal Farms, 101 Carlisle St Hanover PA 17331. Affiant saw a white Chrysler 300 arrive at the store which was being driven by the defendant, Gregory Lee Sewell. The defendant left the store, and 7 minutes later a Chrysler 300 is seen causing an accident at the same time and location as reported by SR.

On May 17, 2021 affiant met with the vehicle owner, KS, the defendant, and SO. SO indicated she was the driver during the accident. Affiant advised her she was going to be charged for the hit and run, and without being questioned about anything the defendant admitted to being the driver during the accident. The defendant stated the other vehicle was going around 50 mph south on Carlisle St and was illegally passing vehicles on the right. The defendant stated he called 911, but affiant found no record of this. The defendant admitted to being the driver of the vehicle in the video from Royal Farms and provided details of the accident only the driver would have known.

Affiant reviewed the defendant's certified driving record which showed he did not have a license, and had no prior convictions for driving without a license.
